TECHNICAL DATA SHEETS

elin TPD 340, 440

Description

elin TPD 340 & 440 oils are high-performance, high-BN, diesel engine oils for medium-speed trunk piston diesel engines. They are blended from high-quality base oils and additives that provide an extra margin of protection against ring sticking, piston deposits and wear under the most severe operating conditions.

Main Performance Features

- 1. Wear Protection
- 2. Detergent/Dispersant Properties
- 3. Oxidation Stability
- 4. Rust Prevention
- 5. Balanced Additive Combination

Typical uses

elin TPD 340 & 440 oils are recommended for all types of trunk piston diesel engines burning residual fuels with a maximum sulphur level of 4.5%.
